#5. MEET SUPPORT FOR WOMEN EMPOWERMENT

The Case

A lady came to seek help from MEET India Foundation to purchase a sewing Machine for her livelihood. Considering her zeal and hard-work, MEET offered financial support in form of a loan to buy a sewing machine.

The Outcome

She started providing sewing training to young females at her home. Within six months, she purchased three more sewing machines through her own earning and presently got 17 students. She is planning to take a bigger premise on lease to expand the training profession as also start garment manufacturing. MEET has committed to support her in the new venture.
