

MEET IMPACT STORIES

#3. MEET transforming lives of Girls with the right guidance and support

The Case

In a testament to the transformative potential of vocational aid, a local fruit vendor, sought the help and guidance of MEET India Foundation for his three daughters educational and vocational advancement. Acting upon this appeal, MEET coordinated her enrolment in a comprehensive computer training program.

The Outcome

Upon successful completion, she seamlessly transitioned into gainful employment within a private enterprise, thereby securing a livelihood and nurturing the economic stability of her family.

Do you believe in empowering girl students?

At MEET India Foundation, we encounter many such cases of girl children who could not pursue their education since it is the last on the agenda of a family struggling to make ends meet. Please collaborate with us to reach out them and change their lives for the better.

Donations are eligible for deduction under section 80G of the Income Tax Act as well as registered under CSR -1 with the Ministry of Corporate Affairs.
